Subject: Lake Fork Ranch 4-13B4 Existing Site Registration

Claudia,

On behalf of EP Energy E&P Company, LP (EP Energy) please find attached the Existing Source Registration for EP Energy's Lake Fork Ranch 4-13B4 site. This site was previously operating under an AO issued by the Utah Department of Air Quality. EP Energy was notified in August 2018 that the site lies within EPA's boundary for Indian Country and is therefore submitting the attached.

Please let me know if you have any questions.

Thank you,
Julie
